Did you know...only 2% of Long Islanders donate blood compared with 5% nationwide. Over 800 pints of blood are needed EVERY DAY to meet the needs of patients in over 50 Long Island hospitals. You have a gift that could save 5 lives with one donation. Please share that gift and DONATE BLOOD! For questions regarding medical eligibility, call 1-800-688-0900.

To make an appointment e-mail [donateblood@bnl.gov](mailto:donateblood@bnl.gov). Include your name, phone extension, and preferred time to donate. If you do not have access to email, call Susan Foster at 344-2888 or Liz Gilbert at 344-2315.
